

Club Sponsor Alert

Eco-Options of Ballina are able to undertake an obligation free **“Home Sustainability Assessment”** for your home.

This assessment is part of the Federal Governments Green Loans Program and is cost free to householders.

Each household that participates in the program will receive a written report outlining potential energy saving measures that might be implemented in their home.

Note:

There is no obligation to undertake any of the recommended energy saving measures. This program is fully funded by the Federal Government.

For each household that engages Eco-Options for a free assessment the Club will receive a **\$50 donation** toward the proposed Ballina Hockey Turf Complex.

Eco-Options are located at 32 Piper Drive, Ballina and Tony Meldrum can be contacted on Office: 6686 8887 or Mobile: 0416 337 402.

Simply advise Tony that you have been referred through the Ballina Hockey Club when you book a time with Tony.
